

EMPLOYMENT OPPORTUNITY

- POSITION:** Temporary Water Conservation Inspector
4 day workweek: Monday - Thursday
- STARTING SALARY:** \$14.00/hour
- DUTIES:** Selected candidates will be assisting the customer service staff in performing accurate land survey measurements in order to determine irrigated acreage for water based budget implementation. This position also requires being a good customer liaison.
- REQUIREMENTS:**
- EDUCATION:** Equivalent to graduation from high school.
- JOB QUALIFICATIONS:** Basic math skills, familiarity of geometric shapes and attention to detail are required to perform above duties. Requires computer literacy. Knowledge of safe work practices. Ability to take direction and work well in a team atmosphere. Position requires an ability to maintain a valid California driver's license and safe driving record.
- PHYSICAL REQUIREMENTS:** Must be willing to work outdoors all day long and be able to carry, push, pull, reach, and lift equipment and parts weighing up to 80 lbs. Must be able to stoop, kneel, and crouch during site measurements. Ability to work in an environment that could produce exposure to dust, dirt, significant temperature changes and inclement weather. Must be able to communicate orally with District staff in face-to-face and one-on-one setting. Requires hearing, vision and eye-hand coordination sufficient to operate equipment and to maintain good awareness during site measurements.
- APPLICATION PROCEDURE:** Applications may be obtained from the District office. Applications need to be filled out completely, even if a resume is included, and must show that the minimum qualifications are met.
