

**“DRAFT” MITIGATED NEGATIVE DECLARATION**  
(State Guidelines §15071)

Moulton Niguel Water District (MNWD)  
27500 La Paz Road  
Laguna Niguel, CA 92677

Project No.: 2009.001

Project Name: Las Ondas Recycled Water Main

Project Location (specific): Along Las Ondas for extending approximately 500-feet northeast of Avery Parkway within the City of Mission Viejo, CA

Project Location: (City) Mission Viejo (County) Orange

Description of Nature, Purpose and Beneficiaries of Project: The project constructs approximately 490 linear feet of C-900 PVC recycled water main, one new service, and one air/vac valve. The purpose of the project is to increase recycled water service to one existing potable water irrigation services, thereby reducing potable water demand. The project will most directly benefit the one existing potable water irrigation customers intended to be converted, but will ultimately benefit all MNWD customers by reducing the District’s potable water demand.

Name of Agency Undertaking Project: Moulton Niguel Water District

Contact Person: Matt Collings, Assistant Director of Engineering  
Area Code 949 Phone 425-3552 Extension \_\_\_\_\_

The Staff of the Moulton Niguel Water District, on June 16, 2009, took the following action concerning the above project:

1. \_\_\_\_\_ A. Determined that the project will not have a significant effect on the environment.

- or -

  X   B. Determined that any effects on the environment can be mitigated so that no significant effect can occur and ordered the preparation of a monitoring program in accordance with the provisions of CEQA.

2.   X   Prepared and filed a “Draft” Mitigated Negative Declaration in accordance with the provisions of the California Environmental Quality Act (“CEQA”).

A copy of the Initial Study documenting the reasons for the above finding is available for review at the MNWD office (refer to the address above) or on-line at [www.mnwd.com](http://www.mnwd.com).

Adoption of the Mitigated Negative Declaration, the Mitigation Monitoring Program and approval of the project will be considered by the Board of Directors of the Moulton Niguel Water District at a meeting, to be held on July 16, 2009.
