INFORMATION ITEMS

- 10. **Late Items (Appropriate Findings to be Made)**

Staff has none.

ADJOURNMENT

This meeting was continued to before or during the Board of Directors’ meeting on Thursday, October 16, 2014 at 5:00 p.m.

Respectfully submitted,

Paige Gulck
Board Secretary

Moulton Niguel Water District

STAFF REPORT

TO: Board of Directors **MEETING DATE:** November 19, 2014

FROM: Joone Lopez, General Manager

SUBJECT: Surplus of District Properties at 27500 La Paz Road in Laguna Niguel and 26161 Gordon Road in Laguna Hills

DIVISION: District-Wide

SUMMARY:

Issue: The Board directed staff to determine the value of the District’s Main and Operations Facilities to assess whether to purchase new property to build the new operations facilities or construct the new facilities on the District’s current property.

Recommendation: It is recommended that the Board of Directors adopt the resolution entitled, “Surplus of District Properties Located in Laguna Niguel and Laguna Hills.”

Fiscal Impact: No immediate fiscal impact to surplus District properties. Future fiscal impacts would be identified based on the results of the surplus process.

BACKGROUND:

Moulton Niguel Water District (“District”) needs to update its current operations and headquarters facilities to meet the District’s current and future needs. The District has determined it will need to construct new facilities to meet the identified needs. The District is considering constructing its new operations facility on land it currently owns, specifically the property located at 26161 Gordon Road in Laguna Hills (“Plant 2A”). The District is also considering purchasing land to construct the new facility. If the District were to construct its facilities on land it acquires, the Plant 2A property will no longer be necessary for District operations. Moreover, if new facilities are constructed at Plant 2A or on a newly acquired site, the property located at 27500 La Paz Road in Laguna Niguel (“Main”) will no longer be necessary for District operations.

#5.

Surplus of District Properties

November 19, 2014

Page 2 of 4

In order to fully evaluate its options, the District needs to understand the value of its Plant 2A and Main properties. The District has obtained opinions of values for both the Plant 2A and Main properties, but because both properties are unique and there are not many similar properties on the market, the only way to determine the true value of the properties is to place the properties on the market to see what the market will bear for the properties. Obtaining a bona fide offer on the Plant 2A and Main properties would allow the District to evaluate whether acquiring a new property or building on existing properties is in the best interest of the District and its rate payers.

DISCUSSION:

The District is a California Water District organized under California Water Code section 34010 and following. As a California Water District, the Surplus Land Act, set forth at California Government Code section 54220 et seq. (the "Act"), requires that surplus land owned by a local agency be disposed of according to certain procedures. (Gov. Code, § 54222.) The Act requires that "[a]ny local agency disposing of surplus land shall send, prior to disposing of that property, a written offer to sell or lease the property as follows:

(a) A written offer to sell or lease for the purpose of developing low-and moderate-income housing shall be sent to any local public entity, as defined by section 50079 of the Health and Safety Code, within whose jurisdiction the surplus land is located.

(b) A written offer to sell or lease for park and recreational purposes or open-space purposes shall be sent:

(1) To any park or recreation department of any city within which the land is situated.

(2) To any park and recreation department of the county within which the land is situated.

(3) To any regional park authority having jurisdiction within the area in which the land is situated.

(4) To the State Resources Agency or any agency that may succeed to its powers.

(Gov. Code, § 54222.)

The statute goes on to require an offer be tendered to all school districts which the property is located, but only if the land is "suitable for school facilities construction or use by a school district for open-space purposes." (Id., at § 54222, subd. (c).)

Surplus of District Properties

November 19, 2014

Page 3 of 4

Once notice has been provided to the appropriate governmental agencies, those agencies have a sixty (60) day period to respond and notify the District in writing that it intends to purchase or lease the property. (Gov. Code, § 54222, subd. (f).) If one of the governmental agencies responds within the sixty (60) day period, then the District must engage in good faith negotiations for a period of not less than sixty (60) days. If the price or terms cannot be agreed upon after a good faith negotiation period of not less than 60 days, the land may be disposed of without further regard to [the Surplus Land Act].” (*Flanders Found. v. City of Carmel-by-the-Sea* (2012) 202 Cal.App.4th 603, 613-14, reh'g denied (Jan. 31, 2012) [quoting Gov. Code, § 54223].)

Therefore, in order to market the Plant 2A and Main properties, the District must first send a letter offering the property to the following public agencies:

27500 La Paz Rd., Laguna Niguel, CA (Main)

§ 54222 *subd.* (a)

1. City of Laguna Niguel
2. Orange County
3. Orange County Housing Authority
4. California Department of Housing and Community Development
5. California Housing Finance Agency

§ 54222 *subd.* (b)

1. City of Laguna Niguel, Parks and Recreation Department
2. OC Parks
3. California Natural Resources Agency

§ 54222 *subd.* (c)

1. Capistrano Unified School District

#5.

Surplus of District Properties

November 19, 2014

Page 4 of 4

26161 Gordon Rd, Laguna Hills CA (Plant 2A)

§ 54222 subd. (a)

1. City of Laguna Hills
2. Orange County
3. Orange County Housing Authority
4. California Department of Housing and Community Development
5. California Housing Finance Agency

§ 54222 subd. (b)

1. City of Laguna Hills Parks and Recreation Commission
2. OC Parks
3. California Natural Resources Agency

§ 54222 subd. (c)

1. Saddleback Valley Unified School District

A draft letter to the agencies is enclosed with this staff report.

The District must wait sixty (60) days after sending those letters to see if any of the public agencies expresses interest in purchasing either the Plant 2A or Main properties. If any of the above agencies indicates an interest in either property, the District staff can discuss the properties with the agencies and bring back any offers for Board consideration in a closed session meeting (Gov. Code, § 54956.8.). The District is not obligated to execute any transaction on the property if it is determined that remaining on District properties is in the best interest of the District. Additionally, should an agency express an interest, the District is not required to sell the property for less than fair market value as determined by the District.

If none of the above agencies show any interest, the District can dispose of the properties without further regard to the Act. As a California Water District, other than the Act, there are no specific procedures the District must follow to dispose of its real property.

Because the District at this point has not made a determination as to whether it will sell its Plant 2A property or construct its new operations facilities on that property, all interested purchasers will be notified about that the District is currently determining what its best course of action will be with respect to the Plant 2A property.

Attachments:

1. Resolution No. 14-__
2. Draft Offer to Sell Surplus Land (Plant 2A)
3. Draft Offer to Sell Surplus Land (Main)

RESOLUTION NO. 14-_____

**RESOLUTION OF THE BOARD OF DIRECTORS OF
THE MOULTON NIGUEL WATER DISTRICT
SURPLUS OF DISTRICT PROPERTIES LOCATED IN LAGUNA NIGUEL
AND LAGUNA HILLS**

WHEREAS, the Board of Directors has determined that the District’s headquarters building located at 27500 La Paz Road in Laguna Niguel (“Main”) and the District’s operations facilities located at 26161 Gordon Road in Laguna Hills (“Plant 2A”) are in need of repairs, updating, and expansion, due to their current conditions and the District’s current needs; and

WHEREAS, the Board of Directors is currently evaluating whether it is in the best interest of the District and its rate payers to construct the needed facilities on the property currently owned by the District, including the Plant 2A and Main properties, or if it is in the best interest of the District and rate payers to acquire a new property to construct the needed facilities;

WHEREAS, if the District were to acquire a new property to house its operation facilities and its headquarters, the Plant 2A and Main properties would no longer be necessary for the District’s use;

WHEREAS, in order to determine if it is in the best interest of the District to acquire a new property, as opposed to using the Plant 2A and Main properties, the Board of Directors needs to determine the value of the Plant 2A and Main properties.

WHEREAS, the Plant 2A and Main properties are unique in that there are not many comparable properties currently on the market, Board of Directors believes the best way to determine the true market value of the Plant 2A and Main properties is to place the properties on the market to determine what a willing buyer would pay for the properties, as this would allow the District to compare the value it would receive from the sale of its properties to the cost it would need to expend to purchase new property.

NOW, THEREFORE, the Board of Directors of the Moulton Niguel Water District does hereby **RESOLVE, DETERMINE** and **ORDER** as follows:

1. Be it resolved that the Board of Directors has determined that if the District is able to locate suitable replacement property to house its operations facilities and its headquarters the Plant 2A and Main properties would no longer be necessary for the District’s use.
2. That in order to determine if it is more advantages for the District to acquire new property for its operations facilities and headquarters the District will market its Main and Plant 2A properties.
3. District staff is directed to begin marketing the Plant 2A and Main properties by complying with Government Code Section 54220, et. seq.
4. If after complying with Government Code Section 54220 et seq., the District does not have an acceptable offer on its properties District staff shall allow any interested party to make an offer on the Plant 2A and Main properties. District staff shall also take appropriate steps, including working with real estate professionals, to ensure that the properties are properly marketed in a manner to obtain the most value from the properties.

#5.

5. District staff shall notify all interested parties that any sale of the Plant 2A and/or Main property would be contingent upon the District locating suitable replacement property.

6. If the Board of Directors determines it is in the best interest of the District to build new facilities on the Plant 2A and/or Main property, as opposed to moving the facilities to a new property, or if the District is unable to find suitable replacement property, the Board of Directors will repeal this Resolution and retain the Plant 2A and Main properties.

APPROVED, ADOPTED and SIGNED this ____ day of _____, 2014.

OFFER TO SELL SURPLUS LAND

The Moulton Niguel Water District (“MNWD”) is offering to sell the land described below in accordance with the provisions of Section 54220 through 54227 of the Government Code.

The following facts pertain to this land:

1. Location: 26161 Gordon Road, Laguna Hills, California.
2. Assessor Parcel Numbers:
3. Size: 11.04 ± acres.
4. Present Zoning: Community/Private Institution.

Any sale pursuant to the above-noted statutes will be contingent upon MNWD locating and purchasing suitable replacement property for MNWD’s operations and headquarters facilities.

Please notify the undersigned within sixty (60) days of your receipt of this notice if you desire to purchase this surplus land. If we do not hear from your agency within sixty (60) days, the land will be disposed of in another manner.

Pursuant to Government Code section 54227 in the event we receive offers for the purchase of this surplus land from more than one entity, first priority shall be given to the entity which agrees to use the site for housing for persons or families of low – or moderate – income.

If notice of intent to purchase this surplus land is received within sixty (60) days of receipt of this letter, MNWD will commence negotiations with your agency pursuant to Government Code section 54223 regarding the sale of the land. If the price and terms cannot be agreed upon after a sixty (60) day negotiations period, MNWD may dispose of the land without further regard to Government Code section 54220.

Sincerely,

Joone Lopez,
General Manager

Return Receipt Requested

OFFER TO SELL SURPLUS LAND

The Moulton Niguel Water District (“MNWD”) is offering to sell the land described below in accordance with the provisions of Section 54220 through 54227 of the Government Code.

The following facts pertain to this land:

1. Location: 27500 La Paz Road, Laguna Niguel, California.
2. Assessor Parcel Numbers:
3. Size: 1.0 ± acres.
4. Present Zoning: Public/Institutional District.

Any sale pursuant to the above-noted statutes will be contingent upon MNWD locating and purchasing suitable replacement property for MNWD’s operations and headquarters facilities.

Please notify the undersigned within sixty (60) days of your receipt of this notice if you desire to purchase this surplus land. If we do not hear from your agency within sixty (60) days, the land will be disposed of in another manner.

Pursuant to Government Code section 54227 in the event we receive offers for the purchase of this surplus land from more than one entity, first priority shall be given to the entity which agrees to use the site for housing for persons or families of low – or moderate – income.

If notice of intent to purchase this surplus land is received within sixty (60) days of receipt of this letter, MNWD will commence negotiations with your agency pursuant to Government Code section 54223 regarding the sale of the land. If the price and terms cannot be agreed upon after a sixty (60) day negotiations period, MNWD may dispose of the land without further regard to Government Code section 54220.

Sincerely,

Joone Lopez,
General Manager

MOULTON NIGUEL WATER DISTRICT
Summary of Financial Results

Results of operations for the three months ended September 30, 2014, as compared to the three months ended September 30, 2013, are summarized below. The unaudited statements presented below will be updated in conjunction with the District's adopted audit expected in December.

Summary Budget Comparison Report

The Summary Budget Comparison Report is a high level statement of the operating activities of the District over the past three months compared to the budget. The report includes total revenues and expenses, as well as line item revenues and expenses for the General Fund and the Water Efficiency Fund. As shown in the summary report, operating revenues were approximately \$15.7 million, or 30% of the annual \$53.0 million budget. Operating expenses were \$21.3 million, or 32% of the annual \$67.7 million budget.

Non-operating revenues are approximately at 5% of budget for the Fiscal Year due to the timing of the receipt of property tax revenue.

Statement of Net Position

The Statement of Net Position shows the District's assets and liabilities as of September 30, 2014, compared to the balances at fiscal year ended June 30, 2014. Overall, assets were about \$12.6 million lower than at June 30, 2014, primarily due to a reduction in current cash and investments as a result of recent debt service payments. Liabilities have decreased by approximately \$8.6 million since June 30, 2014, also due to debt service payments. As a result, the District's net position decreased by approximately \$4.0 million for the month ending September 30, 2014, compared to fiscal year ending June 30, 2014.

Revenues

Total revenues for the three months ended September 30, 2014 were \$17.7 million, approximately \$1.0 million less than from September 30, 2013, due to a decrease in water sales and investment income. Total Operating Revenues for the month ended September 30, 2014, were \$15.7 million, a decrease of \$0.5 million compared to September 30, 2013.

Expenses

Total expenses for the three months ended September 30, 2014, were \$22.2 million, an increase of \$0.9 million or 4.4% as compared to \$21.2 million on September 30, 2013. Total operating expenses were \$16.1 million, an increase of \$1.0 million from last year. Other operating expenses for the three months ended September 30, 2014, were \$4.6 million, an increase of \$0.2 million compared to \$4.4 million on September 30, 2013. Other non-operating expenses for the three months ended September 30, 2014, totaled \$1.5 million, a decrease of approximately \$0.3 million or 14.1% compared to \$1.8 million on September 30, 2013.

Restricted Cash and Investments with Fiscal Agent

#9.a.

**MOULTON NIGUEL WATER DISTRICT
Summary of Financial Results**

Restricted cash includes funds held by the trustee. The use of these funds is restricted by law or bond covenants. Funds in these accounts were about \$22.4 million at September 30, 2014, virtually unchanged from June 30, 2014.

Unrestricted and Restricted Fund Balances

The unrestricted and restricted fund balances reflect the funds in each of the District's unrestricted and restricted funds that are not held by the Fiscal Agent. The unrestricted fund balances are further broken down by designated and undesignated funds. As shown in the report, the District has five funds that are designated by District policy for specific purposes, including Self Insurance, Replacement and Refurbishment, Rate Stabilization, Emergency and General Operating. Total unrestricted funds decreased by approximately \$14 million since June 30, 2014, due to debt service payments and general operating expenses. Restricted fund balances are \$4.0 million, a decrease of \$5.3 million compared to June 30, 2014. This decrease is due to debt service payments.

In August 2014, the Board of Directors adopted a revised Reserve policy for the District's funds. The Unrestricted and Restricted Fund Balances report and funds have been updated to reflect the revised policy.
