

NatureScape
**GARDEN
TOUR**

A monarch butterfly is shown in flight, positioned to the right of the main title text.

by Moulton Niguel

I acknowledge this release of liability and voluntary assumption of risk with the Moulton Niguel Water District (“MNWD”) in connection with participation in the NatureScape Garden Tour to be held on April 13th, 2019 at various addresses (“Tour”). Details regarding the Tour can be found at <https://mnwd.com/naturescape-garden-tour>

I acknowledge that the Tour includes viewing private properties and as a result, I will not disclose, use, photograph or record the addresses of the properties or identifying information of the residents.

I acknowledge that the Tour involves viewing front yard landscapes only. The Tour does not include access to private property. The Tour is limited to observing landscapes from safe locations within public rights-of-way, sidewalks and other areas open to the public.

I am voluntarily participating in the Tour and I acknowledge that my attendance involves known and unknown risks of injury (for example only: tripping, falling) and damage to or loss of property.

I hereby indemnify, defend, and hold MNWD harmless and not liable and release MNWD from all liability whatsoever and agree not to sue MNWD on account of or in connection with any claims, injuries, losses, damages, costs or expenses related to the Tour (this is also a waiver under California Civil Code Section 1542).

I hereby give MNWD permission to use my photo and to publish the same without payment or compensation.
