PROJECT WET FACILITATOR TRAINING

Norman P. Murray Community Center
24932 Veterans Way, Mission Viejo, CA 92692

Friday,
August 16,
2019

8:00 am
to 4:00 pm

The Water Education Foundation and the Moulton Niguel Water District invite water education outreach coordinators and educators experienced in providing school professional development to become Project WET Workshop facilitators.

Upon completion of this training, participants will be certified to provide workshops on the Project WET Curriculum and Activity Guide 2.0. Project WET Facilitators are expected to promote or participate in leading at least one Project WET workshop per year.

The Facilitator training will focus on teacher professional development and education outreach using Project WET materials which align with the following:

- Common Core
- Next Generation Science Standards
- EEI (Education & the Environment Initiative) curriculum units
- STEAM (Science, Technology, Engineering, Arts & Math) education.
