## **POLICY A-5: PURCHASING SERVICES, MATERIALS, AND PUBLIC WORKS PROJECTS**

This policy applies to the purchase of services and materials, equipment, supplies (referred to collectively as “materials”), and Public Works projects for the Moulton Niguel Water District (“District”) as required by California State law (Code Sections 54201, 54202 and 54204) and the Office of Management and Budget Uniform Grants Guidance Title 2, Subtitle A, Chapter II, Part 200, Subpart D (UGG 2 CFR 200).

All purchases of services or materials and Public Works projects paid for by the District must adhere to the authority level and dollar limits set in this Policy.

### **1. Delegation of Purchasing Authority**

The Board has authorized the General Manager, or assigned representatives, to perform essential duties for District operations, including purchase authority.

The General Manager may delegate purchasing authority to others who may use purchasing cards, purchase orders, check requests, or other written authorization.

Board-established purchasing limits and contract signatory authority are listed in Table 2. These limits apply on a per-purchase/per-contract basis, not on an aggregated basis, for unrelated activities.

Purchases and Contract awards must be authorized by the appropriate authority in Table 2.

If an authorized signatory (other than the General Manager) for a given request is absent, the next highest authority in Table 2 may provide the purchase authority.

### **2. Unauthorized Purchasing is Prohibited and Subject to Penalties**

Anyone making purchases outside this Policy and without General Manager or Board authorization, will be subject to disciplinary action and/or termination as outlined in the District Personnel and Salary Policy.

### **3. Division of Contracts**

The District prohibits separating or dividing Contracts, reducing its cost below a specified sum to avoid the requirements of this or any related policy. But Contracts may be divided to meet unique scheduling needs of a project or to meet necessary time frames. Also, no Contract shall include language to limit competitive bidding or solicitation to any one specific vendor, brand, product, thing, or service, except for the exempt items listed in this policy. (See Item #14)

### **4. Purchase Amounts Include Taxes and Shipping**

Purchase amounts include taxes and the cost of shipping, freight fees, and any other charges billed by the supplier or contractor within the authorized limits in this Policy.

### **5. Online Purchases and Utilization of Electronic Signatures**

The District may use electronic commerce whenever reasonable or cost-effective. The District may accept electronic signatures and records for District procurement.

### **6. Requisitions for Purchasing Materials and Services**

District staff who require materials or services to carry out the defined duties of their positions shall submit Requisitions, in advance, for purchases in accordance with this Policy. The Purchasing Department will generate a Purchase Order (PO) from the Requisition.

### **7. Check Requests**

A check request can be used for certain limited materials or services without a PO. Check requests may be used to request payment for Non-Discretionary Purchases, such as services rendered, subscriptions, membership dues, workshop/seminar/conference registrations, and use of facilities. Check requests are subject to the authorization limits established in Table 2.

## 8. Purchasing Cards

Authorized District staff may be assigned Cal Cards to make miscellaneous purchases within the limits of Table 2. Cal Card purchases are subject to the terms and conditions of the District Cardholder Acceptance Agreement.

Services may not be purchased with Cal Cards due to lack of insurance and indemnification language associated with these purchases. District staff using Cal Cards are subject to the terms of this Policy and all related Cal Card usage terms or amendments. A Cal Card should not be used if a Purchase Order or other procurement method would be appropriate.

## 9. Blanket Purchase Orders

A Blanket Purchase Order is issued to cover all amounts expected to be paid to the supplier/contractor/Consultant for the fiscal year or through a Contract term. Blanket Purchase Orders expire at the end of the fiscal year or as soon as a Contract ends, whichever comes first.

For Blanket Purchase Orders exceeding \$75,000, the District will utilize work order forms to initiate work with the supplier/contractor/Consultant. The work order forms will indicate the estimated cost for the work order, and must be signed by a Staff Director or Staff Officer prior to initiating the work with the supplier/contractor/Consultant. If the Director or Officer for a given work order is absent, the next highest authority in Table 2 may provide the authorization.

## 10. References and Financial Responsibility Before Awarding Contracts

Before awarding any Contract, the District will verify the references and financial responsibility of the contracting parties. After award, all Contracts shall be executed on behalf of the District by the appropriate authorized signatory indicated in Table 2.

No Contract will be awarded if funds are not available to make payment upon delivery or completion, or by payment schedule, unless authorized and approved by the Board or General Manager.

## **11. Contracts are Required for Any Services and Public Works Projects over \$5,000**

Contracts for Non-Professional Services, Professional Services and Public Works shall be executed when the cost exceeds \$5,000 (except for an Emergency as defined in this policy).

## **12. Authorization of Multi-Year Contracts in the District's Best Interest**

Multiple Year Contracts are allowed when they are in the best interest of the District as determined by the General Manager.

The dollar value of a Multiple Year Contract shall be the total contract value, including optional renewal periods. Once initially approved, any contract renewals may be authorized by the General Manager, regardless of dollar amount, if the pre-priced option is consistent with the terms of the initial Contract.

## **13. Non-Discretionary Purchases**

Non-Discretionary Purchases do not require Board approval for payment, including those over the General Manager limit of \$75,000. Initial software license agreements and cloud-based services are subject to the purchase limits in Table 2. Purchase Orders are not required for Non-Discretionary Purchases.

## **14. Emergency Services Above \$75,000**

The General Manager, Assistant General Manager or the assigned Emergency Operations Director may authorize Emergency expenditures for work, services, and/or supplies where the cost exceeds \$75,000 pursuant to Board policy. The Board shall be notified of any expenditures for Emergency work, services and/or supplies exceeding the General Manager's authorization limit at the next regularly scheduled Board meeting.

## **15. District Warehouse Inventory**

Purchase requests to replenish the District's warehouse inventory within established inventory re-order levels require no prior authorization or signatory approval under Table 2.

## 16. Non-Professional Services and Materials Procurement

The District requires a competitive bid or selection process for purchasing non-professional services and materials, and for Public Works projects.

For non-professional services and materials estimated to cost \$10,000 or less, District staff may request a proposal from one qualified Consultant or Vendor.

District staff will request a minimum of three bids or proposals for non-professional services and materials when the contract amount is expected to cost between \$10,001 and \$75,000.

For a non-professional services and materials contract expected to cost more than \$75,000, the District will initiate an RFP or RFQ.

- All quotes, bids and proposals must be in writing. Email is acceptable.
- RFP, RFQ, and Invitation to Bid submissions must comply with all terms of the solicitation, or any related laws. Submissions that fail to comply may be disqualified.

## 17. Exceptions to Competitive Solicitations

- Sole Source Purchases
- Single Source Purchases
- Emergency expenditures
- Supplies, materials or equipment procured through a Cooperative Purchasing program with federal, state, county, or other public agencies
- Purchases made after a reasonable attempt to obtain competitive bids and:
  - No additional suppliers/providers/contractors/Consultants can be located.
  - The District receives no response from suppliers/providers/contractors/Consultants to a competitive bid.
  - No other satisfactory bids/proposals are received.

Except for purchases greater than \$75,000 and requiring Board authorization, the General Manager or Assistant General Manager may decide whether a purchase meets the criteria above to be exempt from competitive solicitation.

## 18. Public Works Contracts

Contracts for Public Works projects shall comply with all requirements for Public Works contracts under State law, including rules for:

- Listing subcontractors.
- Posting payment bonds equal to no less than 100 percent of the total contract amount (for all Public Works contracts over \$25,000).
- Paying prevailing wages (for all contracts for Public Works exceeding \$1,000), or as otherwise required by law.

Unless the General Manager and legal counsel approve a waiver, the District requires performance bonds for all Public Works Contracts equal to no less than 100 percent of the total contract amount. Public Works Contracts let by an Invitation to Bid will be awarded to the lowest responsive, responsible bidder as allowed by State law and the District's standard Public Works contract documents.

## 19. Professional Services Procurement

Professional Services Contracts must meet the terms of California Government Code §4525 et seq., and §53060, based on proof of competence and qualifications for the types of services to be performed at fair and reasonable prices, as determined by the District.

For Professional Services estimated to cost \$25,000 or less, District staff may request a proposal from one qualified Consultant.

District staff will request three proposals for Professional Services when the contract amount is expected to cost between \$25,001 and \$75,000.

For a Professional Services Contract expected to cost more than \$75,000, the District will initiate an RFP.

The following criteria shall apply as exceptions to the competitive solicitation requirements as indicated for Professional Services where such requirements would otherwise apply:

- In the case of sole or single source procurements of Professional Services, only one proposal from a qualified firm is required.

6.21.2018

- For Professional Services in which it is infeasible to comply with the selection process because of the unique, exploratory or experimental nature of the project, District staff may request a proposal from one qualified Consultant.

## **20. Nonresponsive or Unqualified Bid or Response**

In response to any Invitation to Bid, RFQ, or RFP, the District may reject any unqualified bid or other response that is incomplete, irregular, amplified, unqualified, conditional or otherwise not in compliance with the solicitation documents in all material respects, and in accordance with law.

The District may waive any informality, irregularity, immaterial defects or technicalities in any bids or other responses received; and/or cancel an invitation for bids or RFP/RFQ, or reject all bids or responses for any other reason, which indicates the cancellation or rejection of all bids or responses is in the District's best interest, and in accordance with law.

Rejection of all bids or responses or cancellation of competitive solicitations, including determinations to re-bid, or re-solicit is subject to the same authority level required to award a Contract in Table 2, and as required by law.

In the case of RFPs and RFQs, the General Manager and the Board reserve the right to award Contracts based upon the best interests of the District, as determined by the District.

## **21. Change Orders for Goods and Services**

The District may issue Change Orders, as required by changes in the specifications or conditions of a project, services performed, or materials issued.

Change orders or amendments that extend the expiration date of the original Board approved contract by no more than 12 months, but do not affect the total contract price can be approved subject to the contract signing authority indicated in Table 2.

The Purchasing department may issue Change Orders up to 10 percent over the original PO without further approvals if the original purchase amount was \$10,000 or less. For any Change Order request over the original PO by more than 10 percent or the \$1,000

limit, the requesting department will complete a revised Purchase Order Requisition (approved at the levels in Table 2.)

- For Contracts and Amendments up to \$75,000:
  - Change Orders can be approved by the total appropriate authorization levels as outlined in Table 2 up to a total Contract amount of \$75,000 without Board approval.
  - Board approval is required for a Change Order if the proposed Change Order would cause the total Contract amount to exceed \$75,000.
- For Contracts and Amendments over \$75,000:
  - Board approval is required for Change Order requests which increase the contract amount, unless sufficient contract contingency was previously approved by the Board.

A Change Order above the Change Order limits set forth in this policy may be authorized by the General Manager or Assistant General Manager prior to Board approval if:

- A delay in Change Order authorization could result in a negative financial impact to the District.
- A delay in Change Order authorization could result in damage to or impairment of the operations of a District facility.
- An Emergency exists which requires immediate work/services.

The Board shall be notified by the General Manager of any Change Order above the General Manager's authorized limit at the next Board meeting.

## **22. Personal Financial Interest in District Contract**

Board members and District staff, spouses, or dependent children shall not be financially interested in any contract made by them in their official capacity. (Government Code Section 1090).
