NatureScape: A Direct-Install, Turf-to-Native Garden Program

Don't know how to begin your landscape transformation project? Moulton Niguel offers NatureScape, a direct-install program that helps customers replace turf with a watershed-friendly garden filled with California native plants. NatureScape participants receive a free site assessment, 50% off design fees, up to \$3 per square foot turf removal incentive, and new landscape installation.

With the streamlined format of the NatureScape Program, customers no longer have to save receipts or wait several weeks for their rebate check to arrive – the District's incentive is applied the day the NatureScape garden is installed!

Learn more about our NatureScape Program! Visit mnwd.com/naturescape or call our Water Efficiency Department at **(949) 448-4025**.

Moulton Niguel in the Community: City of Laguna Niguel's 30th Anniversary

Moulton Niguel Board Members and Staff were able to join the community to celebrate the City of Laguna Niguel's 30th anniversary in August! During the weekend of August 16 - 18, 2019, we met with several hundred customers to discuss our community programs and resources, all while serving refreshing Moulton Niguel water to event attendees!

Congratulations to the City of Laguna Niguel on your 30th anniversary! We are proud to have served the City, its residents, and businesses over the past 30 years and look forward to future opportunities to collaborate on community programs.
