

## LANDSCAPE & IRRIGATION

Existing Landscape and Irrigation

### **PROJECT LOCATION:**

Laguna Hills

### **PROJECT SCOPE:**

The proposed Landscape & Irrigation includes a comprehensive planting and supporting irrigation system to provide a cohesive landscaped facility that aligns with the District's goals in the use of more native, drought-tolerant plantings. The proposed landscaping plan includes the installation of a demonstration garden to allow the public a visual representation of the California Native plants.

Construction documents for the Landscape and Irrigation project were prepared by Ware Malcomb.
